EWHA WOMANS UNIVERSITY  
INTERNATIONAL EXCHANGE  
& STUDY ABROAD PROGRAM

## EWHA WOMANS UNIVERSITY

Founded in 1886, Ewha Womans University is Korea's very first institution of higher learning for women. As a comprehensive research university, Ewha has 13 colleges and 15 graduate schools. The university's many internationally recognized research institutes encompass multiple areas of strength-law, humanities, and education-as well as new areas of excellence-science, technology, engineering, women's studies, international studies, and Korean studies.

Ewha offers a co-educational international program and welcomes all students, both male and female, to study as a non-degree seeking exchange or visiting (study abroad) student. This program is open to both undergraduate and graduate students enrolled as a full-time student in any 4- year accredited institution of higher education.

Ewha is located at the center of Seoul and students can gain firsthand experience of the capital city. The population of international students at Ewha is over 800(around 450 international exchange/visiting students and 400 international degree seeking students). The student will be immersed into an international environment where they can close bonds with peers from all over the world as well as Korean local students on campus.

## EWHA PEACE(PROFESSIONAL EWHAIANS AT CULTURAL EXCHANGE) BUDDIES

Making a new friend in a different country may seem difficult at first. The OIA offers a PEACE “buddy” program to help exchange students’ initial contact with Korean students and adjustment to new environments. The buddies do numerous activities for the international students, including helping them get acquainted to the Ewha campus and nearby Shinchon area, taking them to student hang-outs and events, providing academic help, and arranging cultural trips. By interacting with the buddies, students will be able to expand their social network in Korea to other areas beyond the school and fully take advantage of what Ewha and Korea can offer.
