

Dear Partners,

Warmest greetings from Japan!!

This time, we decided to extend the Nomination/Application period for our Summer Program 2019 and are very welcome some additional recruits.

***Nomination/Application Deadline: May 8, 2019 (Japan Standard Time)**

***Admission Notification: May 17, 2019**

(In all other documents and on our website, the deadline remains as March 31. Please ignore that information this time.)

***Regarding the universities/institutes that have already nominated 2 students: there is the eligibility to nominate more students this time, however, if the capacity of applicants exceeds 30 students per term, additional nominees have a possibility to be rejected or asked to change to another term (ex. from TUJP-1 to TUJP-2). We would appreciate your understanding in this matter in advance.**
